

## PROFESSIONAL WORKERS EVALUATION FORM

As a national parenting programme it is essential for us to collate information for national validation. With your help we can provide evidence of how our material is being put into practice and of the outcomes for families. This questionnaire must be completed by professionals every time the 'Future for Families' material is used and a copy needs to be sent to: Future Childcare Training Limited, PO Box 4388, Rugby, CV21 9DN. Please use this as your 'master copy' which you can photocopy each time you work with parents, or you can request a copy of this form by emailing us at [info@futurechildcaretraining.com](mailto:info@futurechildcaretraining.com). Alternatively you can complete this evaluation form online at: <http://office.qnetworks.co.uk:8080>

We will issue a **practice based certificate** to all workers detailed on this application form who can prove they attended our two-day Handling Teenage Behaviour course and who provide an address for us to post it to.
